SUBJECT TO RENEWAL DURING THE MONTH OF JANUARY**

All dogs and cats over the age of six (6) months must be licensed. The license must be renewed every January. In order to obtain a license, the rabies shot must be current. Proof of current rabies shots must be brought with you when you are applying for a license. The State of New Jersey requires each municipality to conduct a census by September of each year. A representative of the Borough will knock on every door in order to comply with the State's requirements. If you have not licensed your dog or cat, you will be subject to a fine and penalty. Please make sure your pets are properly inoculated for rabies to ensure the welfare of your family and fellow citizens.
