

## Calling All Volunteers!

The Wharton Main Street Improvement Committee is seeking volunteers for various community functions throughout 2009 and beyond.

Started as an effort to improve the look and vitality of our Main Street business district, the Wharton Main Street Improvement Committee has been working with businesses and borough officials toward bringing new and exciting ventures to our town.

Capitalizing on what proved to be a very successful 2008 Canal Day, the committee is now in the process of planning some new events and volunteering opportunities for citizens to get involved in the revitalization of Wharton's downtown commercial district. Some of these opportunities include:

**Canal Day/Canal Society**  
**Wharton Pride**  
**2009 Halloween Festival**  
**Wharton Historical Society**

**The committee will be meeting on Thursday, December 11 at 7:00 PM in Town Hall, located at 10 Robert Street.** Anyone and everyone coming to this meeting will have an opportunity to learn about the upcoming projects and organizations and to get directly involved with them. There has never been a better time to volunteer a little of your valuable time for such a worthy endeavor. Why not come to the meeting to learn how you can be a part of maintaining Wharton as a great place to live, visit and do business?

Sincerely,

Stephen Skelly  
Main Street Coordinator
