Dear Applicant:

Please read these instructions carefully. It is imperative that all pertinent data is completed, to avoid the application being delayed.

This Variance Application package contains all forms necessary for the Board of Adjustment to evaluate the request for variance(s) and to render a decision. Forms that do not pertain to this application may be left blank. Submitting additional information or material is encouraged to better explain and support the proposal.

Please pay strict attention to deadlines, such as the advertisement in the newspaper and the notification to property owners within 200 feet. These requirements are State Law and if the deadlines are not met, the application cannot be heard.

After hearing your application at the scheduled meeting, the Board will render a decision. A resolution granting or denying your request will be prepared by the Board's attorney and presented at the **next regularly scheduled meeting**. Only after the approval of that resolution and the issuance of all required permits, can construction begin.

NO RESOLUTION WILL BE CREATED THE EVENING YOUR APPLICATION IS PRESENTED TO THE BOARD.

If you intend to build new dwelling(s) or change to a multiple dwelling, additional sewerage allotment is required. **It is the responsibility of the applicant to contact the sewer authority and request the additional allotment. Written documentation must be provided to the Board Secretary of the request and the decision of the Wharton Sewer Department.**

If the subject property is located on a County Road or right-of-way, an application to the Morris County Planning Board (form attached) must be filed. **It is the responsibility of the applicant to file the necessary forms with the County.**

All filing fees and escrow fees must be included with this application. All taxes and utilities must be paid and up to date, prior to the date of the meeting for the subject property. The certified list of property owners must be obtained from the Assessor's office at Borough Hall. The cost of this list is \$10.00 and should be paid directly to the Assessor's office. Any additional utility company that may have an easement or right-of-way to the subject property, must be notified by the applicant.

If there are any questions concerning this application, please contact the Board Secretary at Borough Hall.

BASIS OF VARIANCE APPLICATION

It is a requirement of New Jersey Law that the applicant establishes the criteria set forth in either Section 1 or Section 2 below in order for a variance to be granted. Answer completely and fully either Section 1 or 2.

SECTION 1: (UNIQUE PHYSICAL CONSTRAINTS OF THE PROPERTY)

By reason of physical, topographical or other unique features affecting this specific property, the strict application of the provisions of the Borough Of Wharton Land Use Ordinance would result in peculiar and exceptional difficulties or exceptional undue hardship under N.J.S.A. 40:55 D-70c. List in detail facts showing that this application conforms to this requirement, including, if applicable, reference to the exceptional narrowness, shallowness, or shape of the property, or the exceptional topographical conditions affecting the property, or any other exceptional situation or conditions of the property which applicant contends warrants the granting of this variance.

SECTION 2: NON-COMPLIANCE WITH ZONING USE.

A. There are special reasons under N.J.S.A. 40:55D-70d affecting this property which permits a variance for the land and/or proposed structure to be used for a use not permitted in the district in which this property is zoned. The following are reasons:

B. List in detail the reasons why the granting of this variance will not be substantially detrimental to the public good and will not substantially impair the intent and purpose of the zone plan and Land Use Ordinance.

**MORRIS COUNTY PLANNING BOARD
LAND DEVELOPMENT REVIEW
APPLICATION PROCEDURES**

SUBMISSION REQUIREMENTS:

Subdivision – All subdivisions must be submitted to the County Planning Board for review.

Major Subdivisions – will be reviewed for County approval

Minor Subdivisions – will be reviewed to determine:

1. If the project fronts along a County road; and/or
2. If the project will affect any County drainage facilities.

For those minor subdivisions which meet either one or both of the above criteria, the project will be reviewed for approval.

If a minor subdivision does not meet either criteria, an exemption letter will be sent.

Site Plans – Site Plans will be reviewed to determine:

1. If the project fronts along a County road; and/or
2. If the project contains an amount of impervious surface equal to or greater than one acre (43,560 sq. ft.)

For those site plans which meet either one or both of the above criteria, the project will be reviewed for approval.

If the site plan does not meet either criteria, an exemption letter is sent.

PROCEDURES:

New applications must be submitted to the County Planning Board by the municipal approving authority or by the applicant and accompanied by the transmittal letter stating that the application has also been made to the municipal approving authority. Development applications revised in response to County Planning Board requirements may be submitted directly to the County Planning Board by the applicant.

Digital copy of final plat required prior to filing of final plat at the Morris County Clerk's Office.

REVISIONS:

Subdivision plats and site plans which are revised to comply with the County Planning Board requirements, or would alter a previous County Planning Board approval, must be resubmitted to the County Planning Board for review and approval.

REPORTS:

The County Planning Board has a statutory review period of thirty (30) days from the date of a complete submission. Upon completion of the County Planning Board review, a report will be mailed to the municipal approving authority with copies mailed to the applicant and his/her engineer. For those site plans and minor subdivisions found to be exempt, a notice of exemption will be mailed to the municipal approving authority.

SUBMISSION PACKAGE:

A complete application consists of the following:

1. Two (2) completed copies of the County application form (on the reverse side).
2. Two (2) copies of the subdivision or site plan drawings.
3. Two (2) copies of the drainage study (if required by the County Land Development Standards or municipal ordinance).
4. Two (2) copies of the traffic impact study (if required by the County Land Development Standards or municipal ordinance).
5. Payment of the review fee in accordance with the fee schedule on the reverse side of this application. If no fee is included, the applicant will be billed and the project may not be reviewed until payment is received. No fee is required for resubmissions.

Package should be submitted via mail to:
