

R-21-10

**Resolution for Prescription Co-Pay Program**

**WHEREAS, The Borough of Wharton offers a Prescription Co-Pay program for all employees enrolled in the Health Benefit system through the Borough of Wharton; and**

**WHEREAS, net prescription co-pay expenses resulting in out-of-pocket expenses in excess of \$3.00 per prescription may be submitted for reimbursement on a Borough of Wharton voucher provided that adequate supporting documentation is provided; and**

**WHEREAS, prescriptions that have been denied coverage by the employees plan are not eligible for reimbursement under this program; and**

**WHEREAS, this program will not reimburse the employee for expenses incurred while meeting the initial deductible amount as required under certain plans offered through the Borough's health benefit plan; and**

**WHEREAS, any prescription resulting in 100 percent coverage by the employee will not be eligible under the plan; and**

**WHEREAS, review of the reimbursement requests will be conducted by the Borough's Personnel Administrator or the Borough's Administrator; and**

**WHEREAS, continuation of this program is contingent upon inclusion of adequate funding in the budget of the year of the program; and**

**WHEREAS, the governing body has determined that it will continue funding this program for the calendar year 2010.**

**NOW, THEREFORE, BE IT RESOLVED by the Mayor and Council of the Borough of Wharton that they hereby approve the Prescription Co-Pay Program for all eligible employees of the Borough.**
