BOROUGH OF WHARTON

PART I

FINANCIAL STATEMENTS AND SUPPLEMENTARY DATA

YEAR ENDED DECEMBER 31, 2022

Independent Auditors' Report

The Honorable Mayor and Members
of the Borough Council
Borough of Wharton
Wharton, New Jersey

Report on the Financial Statements

We have audited the financial statements – *regulatory basis* – of the various funds of the Borough of Wharton in the County of Morris (the "Borough") as of, and for the years ended December 31, 2022 and 2021, and the related notes to financial statements, as listed in the table of contents.

Unmodified Opinions on Regulatory Basis of Accounting

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the financial position of each fund and account group of the Borough of Wharton as of December 31, 2022 and 2021, and the results of operations and changes in fund balance, where applicable, of such funds and account group, thereof for the years then ended on the basis of accounting practices prescribed or permitted, as described in Note 1, by the Division of Local Government Services, Department of Community Affairs, State of New Jersey (the "Division").

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the *Basis for the Adverse Opinion on U.S. Generally Accepted Accounting Principles* section of our report, the accompanying financial statements referred to above do not present fairly in accordance with accounting principles generally accepted in the United States of America the financial position of each fund and account group of the Borough as of December 31, 2022 and 2021, or the changes in financial position or, where applicable, cash flows thereof for the years then ended.

Basis for Opinions

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS), audit requirements prescribed by the Division and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Borough, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

The Honorable Mayor and Members
of the Borough Council
Borough of Wharton
Page 2

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 1, the financial statements are prepared by the Borough on the basis of accounting practices prescribed or permitted by the Division, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of the Division's regulatory basis of accounting and the budget laws of New Jersey. The effects on the financial statements of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material and pervasive.

Emphasis of Matter

As discussed in Note 19 to the financial statements, the Borough implemented GASB Statement No. 87, *Leases*, during the year ended December 31, 2022. Our opinions are not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the financial reporting provisions of the Division of Local Government Services, Department of Community Affairs, State of New Jersey (the "Division") to demonstrate compliance with the Division's regulatory basis of accounting, and the budget laws of New Jersey. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards* and audit requirements prescribed by the Division will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, *Government Auditing Standards* and audit requirements prescribed by the Division, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Borough's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

The Honorable Mayor and Members
of the Borough Council
Borough of Wharton
Page 3

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Borough's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements of the various funds and account group that collectively comprise the Borough's financial statements. The supplementary data schedules listed in the table of contents and the schedules of expenditures of federal and state awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance") and New Jersey's OMB Circular 15-08, *Single Audit Policy for Recipients of Federal Grants, State Grants and State Aid*, are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the various fund and account group financial statements. The information has been subjected to the auditing procedures applied in the audit of the various fund and account group financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the various fund and account group financial statements or to the various fund and account group financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary data schedules and the schedules of expenditures of federal and state awards are fairly stated, in all material respects, in relation to the various fund and account group financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated June 9, 2023 on our consideration of the Borough's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Borough's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Borough's internal control over financial reporting and compliance.

BOROUGH OF WHARTON
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2022

Note 1: Summary of Significant Accounting Policies

A. Reporting Entity

Except as noted below, the financial statements of the Borough of Wharton include every board, body, officer or commission supported and maintained wholly or in part by funds appropriated by the Borough of Wharton, as required by N.J.S. 40A:5-5. Accordingly, the financial statements of the Borough of Wharton do not include the operations of the municipal library or the Volunteer Emergency Services.

Governmental Accounting Standards Board ("GASB") Codification Section 2100, "Defining the Financial Reporting Entity" establishes standards to determine whether a governmental component unit should be included in the financial reporting entity. Component units are legally separate organizations for which the elected officials of the primary government are financially accountable. In addition, component units can be other organizations for which the nature and significance of their relationship with a primary government are such that exclusion would cause the reporting entity's financial statements to be misleading. The primary government is financially accountable if it appoints a voting majority of the organization's governing body and (1) it is able to impose its will on that organization or (2) there is a potential for the organization to provide specific financial benefits to, or impose specific financial burdens on, the primary government. A legally separate, tax-exempt organization should be reported as a component unit of a reporting entity if all of the following criteria are met: (1) The economic resources received or held by the separate organization are entirely or almost entirely for the direct benefit of the primary government, its component units, or its constituents. (2) The primary government, or its component units, is entitled to, or has the ability to otherwise access, a majority of the economic resources received or held by the separate organization. (3). The economic resources received or held by an individual organization that the specific primary government, or its component units, is entitled to, or has the ability to otherwise access, are significant to that primary government. As the financial reporting entity was established in accordance with New Jersey statutes, the requirements of GASB Codification Section 2100 were not followed and, accordingly, the reporting entity could be different from accounting principles generally accepted in the United States of America.

B. Description of Funds

The accounting policies of the Borough of Wharton conform to the accounting practices applicable to municipalities which have been prescribed or permitted by the Division of Local Government Services, Department of Community Affairs, State of New Jersey (the "Division"). Such practices are designed primarily for determining compliance with legal provisions and budgetary restrictions and as a means of reporting on the stewardship of public officials with respect to public funds. Under this method of accounting, the Borough of Wharton accounts for its financial transactions through the following separate funds:

Current Fund - Resources and expenditures for governmental operations of a general nature, including federal and state grant funds.

BOROUGH OF WHARTON
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2022
 (Continued)

Note 1: Summary of Significant Accounting Policies (Cont'd)

B. Description of Funds (Cont'd)

Trust Fund - Receipt, custodianship and disbursement of funds in accordance with the purpose for which each reserve was created.

General Capital Fund - Receipt and disbursement of funds for the acquisition of general capital facilities, other than those acquired in the Current Fund.

Water Utility Operating and Capital Funds - Account for the operations and acquisition of capital facilities of the municipally owned water utility.

Sewer Utility Operating and Capital Funds - Account for the operations and acquisition of capital facilities of the municipally owned sewer utility.

Special Garbage District Fund - Collection of special district taxes to provide for the costs of garbage collection.

General Fixed Assets Account Group - Estimated values of land, buildings and certain fixed assets of the Borough as discussed in Note 1E - "Other significant accounting policies".

C. Basis of Accounting

Basis of accounting refers to when revenue and expenditures or expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

The following is a summary of the significant accounting policies.

Revenue is recorded when received in cash except for certain amounts which may be due from the State of New Jersey and for the prepayment of future years' revenue. Grant revenue is realized in the operating funds when it is budgeted and in the capital funds when improvements are authorized. The amounts recorded as property taxes and consumer accounts receivable have not been included in revenue. Amounts that are due to the municipality, which are susceptible of accrual, are recorded as receivables with offsetting reserves in the Current Fund.

Expenditures are charged to operations generally based on budgeted amounts. Exceptions to this general rule include:

1. Accumulated unpaid vacation, sick pay and other employee amounts are not accrued.
2. Prepaid expenses, such as insurance premiums applicable to subsequent periods, are charged to current budget appropriations in total.
3. Principal and interest on long-term debt are recognized when due.

BOROUGH OF WHARTON
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2022
(Continued)

Note 1: Summary of Significant Accounting Policies (Cont'd)

C. Basis of Accounting (Cont'd)

Expenditures, if any, in excess of appropriations, appropriation reserves or ordinances become deferred charges which must be raised by future taxes. Outstanding encumbrances at December 31 are reported as a cash liability in the financial statements and constitute part of the statutory appropriation reserve balance. Appropriation reserves covering unexpended appropriation balances are automatically created at December 31 of each year and recorded as liabilities, except for amounts which may be cancelled by the governing body. Appropriation reserves are available, until lapsed at the close of the succeeding year, to meet specific claims, commitments or contracts incurred during the preceding fiscal year. Lapsed appropriation reserves are recorded as income.

Had the Borough's financial statements been prepared under accounting principles generally accepted in the United States of America, encumbrances would not be considered as expenditures; appropriation reserves would not be recorded; revenue susceptible to accrual would have been reflected without offsetting reserves; Federal and State grants and assistance would be recognized when earned, not when awarded; inventories would not be reflected as expenditures at the time of purchase; fixed assets purchased by the Utility Capital Funds would be depreciated; investments would generally be stated at fair value; and the Borough's net pension liability and related deferred inflows and outflows, where applicable, would be recorded.

The cash basis of accounting is followed in the Trust and Capital Funds.

- D. Deferred Charges to Future Taxation - The General Capital Fund balance sheet includes unfunded deferred charges. Funded means that bonds have been issued and are being paid off on a serial basis. Unfunded means that debt has been authorized but not permanently financed. A municipality can eliminate an unfunded deferred charge by raising it in the budget, by collecting a grant, by selling bonds, by loans or by financed purchase agreements.

- E. Other significant accounting policies include:

Management Estimates - The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of revenues and expenditures/expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents - Amounts include petty cash, change funds, amounts on deposit, and short-term investments with original maturities of three months or less.

Investments - Investments are stated at cost.

Grants Receivable - Grants receivable represent total grant awards less amounts collected to date. Because the amount of grants funds to be collected are dependent on the total costs eligible for reimbursement, the actual amount collected may be less than the total amount awarded.

Allowance for Uncollectible Accounts - No allowance for uncollectible accounts has been recorded as all amounts are considered collectible.

BOROUGH OF WHARTON
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2022
(Continued)

Note 1: Summary of Significant Accounting Policies (Cont'd)

E. Other significant accounting policies include: (Cont'd)

Compensated Absences - Expenditures relating to unused vested accumulated vacation and sick pay are not recorded until paid.

Foreclosed Property - Foreclosed property is recorded in the Current Fund at the assessed valuation when such property was acquired, and is fully reserved.

Interfunds - Interfund receivables in the Current Fund are recorded with offsetting reserves which are created by charges to operations. Income is recognized in the year the receivables are liquidated. Interfund receivables in the other funds are not offset by reserves.

Inventories of Supplies - The cost of inventories of supplies for all funds are recorded as expenditures at the time individual items are purchased. The costs of inventories are not included on the various balance sheets.

General Fixed Assets

In accordance with New Jersey Administrative Code Accounting Requirements, as promulgated by Division of Local Government Services, General fixed assets are recorded at cost except for land and buildings, which are recorded at estimated historical cost as estimated by the independent appraisal company which conducted the inventory of the Borough's assets. Infrastructure assets are not included in general fixed assets; maintenance and minor repairs and replacements, which do not improve or extend the lives of the respective assets, are expensed currently. Donated fixed assets are valued at their fair market value on the date donated. No depreciation has been provided on general fixed assets. The total value recorded for general fixed assets is offset by a "Reserve for Fixed Assets". When properties are retired or otherwise disposed of, the asset and the reserve are adjusted accordingly.

Assets recorded in the General Fixed Assets Account Group may also be recorded in the Current Fund, General Capital Fund and Utility Funds. The values recorded in the General Fixed Asset Account Group and the Current and Capital Funds may not always agree due to differences in valuation methods, timing or recognition of assets and the recognition of infrastructures. Fixed assets are reviewed for impairment.

Property and equipment purchased by the Utility Funds is recorded in the Utility Capital accounts at cost and are not adjusted for disposition and abandonment. The amounts shown do not purport to represent replacement costs or current value. Contributions in aid of construction are not capitalized. The balances in the Reserve for Amortization and Deferred Reserve for Amortization accounts in the Utility Capital Funds represent charges to operations for the costs of acquisitions of property, equipment and improvements. The utilities do not record depreciation on fixed assets.

- F. Budget/Budgetary Control - Annual appropriated budgets are usually prepared in the first quarter for the Current operating, utility, Special Garbage District and Open Space Trust Funds. The budgets are submitted to the governing body and the Division of Local Government Services. Budgets are prepared using the cash basis of accounting. The legal level of budgetary control is established at the line item accounts within each fund. Line item accounts are defined as the lowest (most specific) level of detail as established pursuant to the flexible chart of accounts referenced in N.J.S.A. 40A. All budget amendments/transfers must be approved by the Borough during the year.

Note 2: Long-Term Debt

The Local Bond Law governs the issuance of bonds to finance general Borough capital expenditures. All bonds are retired in serial installments within the statutory period of usefulness. All bonds issued by the Borough are general obligation bonds. The Borough's full faith and credit and taxing power has been pledged to the payment of the general obligation debt principal and interest.

NJ Environmental Infrastructure Trust (NJEIT) Loan

On November 1, 2005, the Borough of Wharton entered into a NJ Environmental Infrastructure Financing Program loan agreement with the State of New Jersey, acting by and through the NJ Department of Environmental Protection. The Fund loan portion is \$230,596 and the Trust loan portion is \$235,000. The aggregate amount of \$465,596 represents direct obligations of the Borough. The loan proceeds were obtained to finance a portion of the cost of water system improvement projects. At December 31, 2022, the Borough had borrowed or "drawn down" \$465,596 for these projects. The loan balance as of the end of the year is \$76,655.

Principal payments to the Fund commenced August 1, 2006 and will continue on a semiannual basis over 20 years at zero interest. Principal payments to the Trust commenced August 1, 2007 and will continue on a semiannual basis over 19 years at 4.0%-5.0% interest. It is expected that interest will be paid from trust bond proceeds on deposit in the capitalized interest account (as defined in the bond resolution), and earnings on the debt service reserve fund (as defined in the bond resolution) will be transferred to such capitalized interest account. The Borough will nonetheless be responsible for all such interest payments to the extent such trust bond proceeds and interest earnings are not available from the capitalized interest account. Also, an annual administrative fee of up to one percent (1.0%) of the initial principal amount of the loan or such lesser amount, if any, as may be authorized by any act of the NJ State Legislature and as the State may approve from time to time is payable on this loan.

Note 3: Fund Balances Appropriated

Fund balances at December 31, 2022 which were appropriated and included as anticipated revenue in their own respective funds in the introduced budget for the year ending December 31, 2023 were as follows:

Current Fund	\$ 2,453,794
Water Utility Operating Fund	550,000
Sewer Utility Operating Fund	550,000
Special Garbage District Fund	84,600

Note 4: Deferred Charges to be Raised in Succeeding Years

Certain expenditures are required to be deferred to budgets of the succeeding years. At December 31, 2022, the Borough had no deferred charges.

Note 5: Local or Regional School District Taxes

Regulations provide for the deferral of not more than 50% of the annual levy when school taxes are raised for a school year and have not been requisitioned by the school district.

The Borough of Wharton has elected not to defer school taxes.

BOROUGH OF WHARTON
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2022

Note 6: Pension Plans

Borough employees participate in one of the two contributory, defined benefit public employee retirement systems: the State of New Jersey Public Employee's Retirement System (PERS) or the State of New Jersey Police and Firemen's Retirement System (PFRS); or the Defined Contribution Retirement Program (DCRP), a tax-qualified defined contribution money purchase pension plan under Internal Revenue Code (IRC) 401(a).

A. Public Employees' Retirement System (PERS)

Plan Description

The State of New Jersey, Public Employees' Retirement System (PERS) is a cost-sharing multiple-employer defined benefit pension plan administered by the State of New Jersey, Division of Pensions and Benefits (the Division). For additional information about the PERS, please refer to the Division's annual financial statements (CAFR) which can be found at www.state.nj.us/treasury/pensions/annual-reports.shtml.

Benefits Provided

The vesting and benefit provisions are set by N.J.S.A. 43:15A. PERS provides retirement, death and disability benefits. All benefits vest after ten years of service. The following represents the membership tiers for PERS:

<u>Tier</u>	<u>Definition</u>
1	Members who were enrolled prior to July 1, 2007
2	Members who were eligible to enroll on or after July 1, 2007 and prior to November 2, 2008
3	Members who were eligible to enroll on or after November 2, 2008 and prior to May 22, 2010
4	Members who were eligible to enroll on or after May 22, 2010 and prior to June 28, 2011
5	Members who were eligible to enroll on or after June 28, 2011

Service retirement benefits of 1/55th of final average salary for each year of service credit is available to Tiers 1 and 2 members upon reaching age 60 and to Tier 3 members upon reaching age 62. Service retirement benefits of 1/60th of final average salary for each year of service credit is available to Tier 4 members upon reaching age 62 and to Tier 5 members upon reaching age 65. Early retirement benefits are available to Tiers 1 and 2 members before reaching age 60, to Tiers 3 and 4 with 25 or more years of service credit before age 62 and Tier 5 with 30 or more years of service credit before age 65. Benefits are reduced by a fraction of a percent for each month that a member retires prior to the age at which a member can receive full early retirement benefits in accordance with their respective tier. Tier 1 members can receive an unreduced benefit from age 55 to age 60 if they have at least 25 years of service. Deferred retirement is available to members who have at least 10 years of service credit and have not reached the service retirement age for the respective tier.

BOROUGH OF WHARTON
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2022
(Continued)

Note 6: Pension Plans (Cont'd)

A. Public Employees' Retirement System (PERS) (Cont'd)

Contributions

The contribution policy for PERS is set by N.J.S.A. 43:15A and requires contributions by active members and contributing members. State legislation has modified the amount that is contributed by the State. The State's pension contribution is based on an actuarially determined amount, which includes the employer portion of the normal cost and an amortization of the unfunded accrued liability. Funding for noncontributory group insurance benefits is based on actual claims paid.

The local employers' contribution amounts are based on an actuarially determined rate which includes the normal cost and unfunded accrued liability. Chapter 19, P.L. 2009 provided an option for local employers of PERS to contribute 50% of the normal and accrued liability contribution amounts certified for payments due in State fiscal year 2009. Such employers will be credited with the full payment and any such amounts will not be included in their unfunded liability. The actuaries will determine the unfunded liability of those retirement systems, by employer, for the reduced normal and accrued liability contributions provided under this law. This unfunded liability is being paid by the employer in level annual payments over a period of 15 years, which began with the payments due in the fiscal year ended June 30, 2012 and are adjusted by the rate of return on the actuarial value of assets.

Borough contributions to PERS amounted to \$223,187 for 2022. During the fiscal year ended June 30, 2022, the State of New Jersey contributed \$7,890 to the PERS for normal pension benefits on behalf of the Borough.

The employee contribution rate was 7.50% effective July 1, 2018.

Special Funding Situation

A special funding situation exists for certain local employers of the PERS. The State of New Jersey, as a nonemployer, is required to pay the additional costs incurred by local employers Chapter 133, P.L. 2001. The special funding situation for Chapter 133, P.L. 2001 is due to the State paying the additional normal cost related to benefit improvements from Chapter 133. Previously, this additional normal cost was paid from the Benefit Enhancement Fund (BEF). As of June 30, 2022, there is no net pension liability associated with this special funding situation and there was no accumulated difference between the annual additional normal cost under the special funding situation and the actual State contribution through the valuation date. The State special funding situation for the fiscal year ending June 30, 2022, is the actuarially determined contribution amount that the State owes for the fiscal year ending June 30, 2022. The pension expense is deemed to be a State administrative expense due to the special funding situation.

Pension Liabilities and Pension Expense

At June 30, 2022, the Borough's liability was \$3,749,903 for its proportionate share of the net pension liability. The net pension liability was measured as of June 30, 2022, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2021 which was rolled forward to June 30, 2022. The Borough's proportion of the net pension liability was based on a projection of the Borough's long-term share of contributions to the pension plan relative to the projected contributions of all participating members, actuarially determined.

BOROUGH OF WHARTON
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2022
(Continued)

Note 6: Pension Plans (Cont'd)

A. Public Employees' Retirement System (PERS) (Cont'd)

Pension Liabilities and Pension Expense (Cont'd)

At June 30, 2022, the Borough's proportion was .024%, which was an increase of .002% from its proportion measured as of June 30, 2021. The Borough has rolled forward the net pension liability as of June 30, 2022 with no adjustments. The State of New Jersey Public Employees' Retirement System (PERS)' valuation cycle is July 1 instead of December 31. The roll forward methodology puts them a year in arrears in terms of valuation.

There was no state proportionate share of net pension liability attributable to the Borough as of June 30, 2022.

For the year ended December 31, 2022, the Borough recognized actual pension benefit in the amount of \$223,187.

Actuarial Assumptions

The total pension liability for the June 30, 2022 measurement date was determined by an actuarial valuation as of July 1, 2021 which was rolled forward to June 30, 2022. This actuarial valuation used the following actuarial assumptions:

Inflation Rate:	
Price	2.75%
Wage	3.25%
Salary Increases:	2.75 – 6.55% based on years of service
Investment Rate of Return	7.00%

Pre-retirement mortality rates were based on the Pub-2010 General Below-Median Income Employee Mortality Table with an 82.2% adjustment for males and 101.4% adjustment for females, and with future improvement from the base year of 2010 on a generational basis. Post-retirement mortality rates were based on the Pub-2010 General Below-Median Income Healthy Retiree mortality table with a 91.4% adjustment for males and a 99.7% adjustment for females, and with future improvement from the base year of 2010 on a generational basis. Disability retirement rates used to value disabled retirees were based on the Pub-2010 Non-Safety Disabled Retiree mortality table with a 127.7% adjustment for males and 117.2% adjustment for females, and with future improvement from the base year of 2010 on a generational basis. Mortality improvement is based on Scale MP-2021.

The actuarial assumptions used in the July 1, 2021 valuation were based on the results of an actuarial experience study for the period July 1, 2018 to June 30, 2021.

BOROUGH OF WHARTON
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2022
(Continued)

Note 6: Pension Plans (Cont'd)

A. Public Employees' Retirement System (PERS) (Cont'd)

Long Term Expected Rate of Return

In accordance with State statute, the long-term expected rate of return on pension plan investments (7.00% at June 30, 2022) is determined by the State Treasurer, after consultation with the Directors of the Division of Investments and Division of Pensions and Benefits, the Board of Trustees and the actuaries. The long-term expected rate of return was determined using a building block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic real rates of return for each major asset class included in PERS' target asset allocation as of June 30, 2022 are summarized in the table below.

<u>Asset Class</u>	<u>Target Allocation</u>	<u>Long-Term Expected Real Rate of Return</u>
U.S. Equity	27.00%	8.12%
Non-U.S. Developed Markets Equity	13.50%	8.38%
Emerging Market Equity	5.50%	10.33%
Private Equity	13.00%	11.80%
Real Estate	8.00%	11.19%
Real Assets	3.00%	7.60%
High Yield	4.00%	4.95%
Private Credit	8.00%	8.10%
Investment Grade Credit	7.00%	3.38%
Cash Equivalents	4.00%	1.75%
U.S. Treasuries	4.00%	1.75%
Risk Mitigation Strategies	3.00%	4.91%

Discount Rate

The discount rate used to measure the total pension liability was 7.00% as of June 30, 2022. The projection of cash flows used to determine the discount rate assumed that contributions from plan members will be made at the current member contribution rates and that contributions from employers and the nonemployer contributing entity will be based upon 100% of the actuarially determined contributions for the State employer and 100% of actuarially determined contributions for the local employers. Based on those assumptions, the plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on plan investments was applied to all projected benefit payments to determine the total pension liability.

BOROUGH OF WHARTON
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2022
(Continued)

Note 6: Pension Plans (Cont'd)

A. Public Employees' Retirement System (PERS) (Cont'd)

Sensitivity of the Borough's Proportionate Share of the Net Pension Liability to Changes in the Discount Rate

The following presents the Borough's proportionate share of the collective net pension liability as of June 30, 2022 calculated using the discount rate as disclosed on the previous page, as well as what the Borough's proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1-percentage-point lower or 1-percentage-point higher than the current rate:

	June 30, 2022		
	At 1% Decrease (6.00%)	Current Discount Rate (7.00%)	At 1% Increase (8.00%)
Borough's proportionate share of the Net Pension Liability	\$ 4,817,527	\$ 3,749,903	\$ 2,841,312

Pension Plan Fiduciary Net Position

Detailed information about the pension plan's fiduciary net position is available in the separately issued PERS financial statements.

B. Police and Firemen's Retirement System (PFRS)

Plan Description

The State of New Jersey Police and Firemen's Retirement System (PFRS), is a cost-sharing multiple-employer defined benefit pension plan administered by the State of New Jersey, Division of Pensions and Benefits (the Division). For additional information about the PFRS, please refer to the Division's annual financial statements which can be found at www.state.nj.us/treasury/pensions/annual-reports.shtml.

Benefits Provided

The vesting and benefit provisions are set by N.J.S.A. 43:16A. The PFRS provides retirement as well as death and disability benefits. All benefits vest after ten years of service, except disability benefits, which vest after four years of service.

BOROUGH OF WHARTON
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2022
(Continued)

Note 6: Pension Plans (Cont'd)

B. Police and Firemen's Retirement System (PFRS) (Cont'd)

Benefits Provided (Cont'd)

The following represents the membership tiers for PFRS:

<u>Tier</u>	<u>Definition</u>
1	Members who were enrolled prior to May 22, 2010
2	Members who were eligible to enroll on or after May 22, 2010 and prior to June 28, 2011
3	Members who were eligible to enroll on or after June 28, 2011

Service retirement benefits are available at age 55 and are generally determined to be 2% of final compensation for each year of creditable service, as defined, up to 30 years plus 1% for each year of service in excess of 30 years. Members may seek special retirement after achieving 25 years of creditable service, in which benefits would equal 65% (tiers 1 and 2 members) and 60% (tier 3 members) of final compensation plus 1% for each year of creditable service over 25 years but not to exceed 30 years. Members may elect deferred retirement benefits after achieving ten years of service, in which case benefits would begin at age 55 equal to 2% of final compensation for each year of service.

Contributions

The contribution policy for PFRS is set by N.J.S.A. 43:16A and requires contributions by active members and contributing members. State legislation has modified the amount that is contributed by the State. The State's contribution amount is based on an actuarially determined rate, which includes the normal costs and unfunded accrued liability. For fiscal year 2021, the State contributed an amount less than the actuarially determined amount. The Local employers' contribution amounts are based on an actuarially determined rate which includes the normal cost and unfunded accrued liability. Chapter 19, P.L. 2009 provided an option for local employers of PFRS to contribute 50% of the normal and accrued liability contribution amounts certified for payments due in State fiscal year 2009. Such employers will be credited with the full payment and any such amounts will not be included in their unfunded liability. The actuaries will determine the unfunded liability of the retirement system, by employer, for the reduced normal and accrued liability contributions provided under this law. This unfunded liability is being paid by the employer in level annual amounts over a period of 15 years, which began with the payments due in the fiscal year ended June 30, 2012 and are adjusted by the rate of return on the actuarial value of the assets.

Special Funding Situation

Under N.J.S.A. 43:16A-15, local participating employers are responsible for their own contributions based on actuarially determined amounts, except where legislation was passed which legally obligated the State if certain circumstances occurred. The legislation which legally obligates the State is as follows: Chapter 8, P.L. 2000, Chapter 318, P.L. 2001, Chapter 86, P.L. 2001, Chapter 511, P.L. 1991, Chapter 109, P.L. 1979, Chapter 247, P.L. 1993 and Chapter 201, P.L. 2001. The amounts contributed on behalf of the local participating employers under this legislation is considered to be a special funding situation as defined by GASB Statement No. 68 and the State is treated as a nonemployer contributing entity. Since the local participating employers do not contribute under this legislation directly to the plan (except for employer specific funded amounts), there is no net pension liability or deferred outflows or inflows to report in the financial statements of the local participating employers related to this legislation.

BOROUGH OF WHARTON
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2022
(Continued)

Note 6: Pension Plans (Cont'd)

B. Police and Firemen's Retirement System (PFRS) (Cont'd)

Special Funding Situation (Cont'd)

However, the notes to the financial statements of the local participating employers must disclose the portion of the nonemployer contributing entities' total proportionate share of the collective net pension liability that is associated with the local participating employer.

Borough contributions to PFRS amounted to \$769,099 for December 31, 2022. During the fiscal year ended June 30, 2021, the State of New Jersey contributed \$113,064 to the PFRS for normal pension benefits on behalf of the Borough, which is less than the contractually required contribution of \$144,954. The employee contributions for PFRS are 10.00% of employees' annual compensation, as defined.

Pension Liabilities and Pension Expense

At June 30, 2021, the Borough's liability for its proportionate share of the net pension liability was \$4,627,704. The net pension liability was measured as of June 30, 2021, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2020 which was rolled forward to June 30, 2021. The Borough's proportion of the net pension liability was based on a projection of the Borough's long-term share of contributions to the pension plan relative to the projected contributions of all participating members, actuarially determined. At June 30, 2021, the Borough's proportion was 0.0633%, which was an increase of 0.0054% from its proportion measured as of June 30, 2020. The Borough has rolled forward the net pension liability as of June 30, 2021 with no adjustments. The State of New Jersey Police and Firemen's Retirement System (PFRS)' valuation cycle is July 1 instead of December 31. The roll forward methodology puts them a year in arrears in terms of valuation. The Division of Local Government Services, Department of Community Affairs, State of New Jersey is permitting municipalities and counties to include the June 30, 2021 information in the Notes to the Financial Statements as the June 30, 2022 information has not been released as of the date of this audit.

Additionally, the State's proportionate share of the net pension liability attributable to the Borough is \$1,301,541 as of June 30, 2021. The net pension liability was measured as of June 30, 2021, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2020 which was rolled forward to June 30, 2021. The State's proportionate share of the net pension liability associated with the Borough was based on a projection of the Borough's long-term share of contributions to the pension plan relative to the projected contributions of all participating members, actuarially determined. At June 30, 2021, the State's proportion was 0.0633%, which was an increase of 0.0054% from its proportion measured as of June 30, 2020 which is the same proportion as the Borough's.

Pension Liabilities and Pension Expense (Cont'd)

Borough's Proportionate Share of the Net Pension Liability	\$ 4,627,704
State's Proportionate Share of the Net Pension Liability Associated with the Borough	<u>1,301,541</u>
Total Net Pension Liability	<u>\$ 5,929,245</u>

For the year ended December 31, 2022, the Borough recognized total pension expense of \$769,099.

Actuarial Assumptions

The total pension liability for the June 30, 2021 measurement date was determined by an actuarial valuation as of July 1, 2020 which was rolled forward to June 30, 2021. This actuarial valuation used the following actuarial assumptions:

Inflation Rate	2.75%
Salary Increases:	
Through All Future Years	3.25 – 15.25% based on years of service
Investment Rate of Return	7.00%

Employee mortality rates were based on the PubS-2010 amount-weighted mortality table with a 105.6% adjustment for males and 102.5% adjustment for females. For healthy annuitants, mortality rates were based on the PubS-2010 amount-weighted mortality table with a 96.7% adjustment for males and a 96.0% adjustment for females. Disability rates were based on the PubS-2010 amount-weighted mortality table with a 152.0% adjustment for males and 109.3% adjustment for females. Mortality improvement is based on Scale MP-2021.

The actuarial assumptions used in the July 1, 2020 valuation were based on the results of an actuarial experience study for the period July 1, 2013 to June 30, 2018.

Long Term Expected Rate of Return

In accordance with State statute, the long-term expected rate of return on pension plan investments (7.00% at June 30, 2021) is determined by the State Treasurer, after consultation with the Directors of the Division of Investments and Division of Pensions and Benefits, the Board of Trustees and the actuaries. The long-term expected rate of return was determined using a building block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation.

Best estimates of arithmetic real rates of return for each major asset class included in PFRS's target asset allocation as of June 30, 2021 are summarized in the following table:

<u>Asset Class</u>	<u>Target Allocation</u>	<u>Long-Term Expected Real Rate of Return</u>
U.S. Equity	27.00%	8.09%
Non-U.S. Developed Markets Equity	13.50%	8.71%
Emerging Market Equity	5.50%	10.96%
Private Equity	13.00%	11.30%
Real Estate	8.00%	9.15%
Real Assets	3.00%	7.40%
High Yield	2.00%	3.75%
Private Credit	8.00%	7.60%
Investment Grade Credit	8.00%	1.68%
Cash Equivalents	4.00%	0.50%
U.S. Treasuries	5.00%	0.95%
Risk Mitigation Strategies	3.00%	3.35%

Note 6: Pension Plans (Cont'd)

B. Police and Firemen's Retirement System (PFRS) (Cont'd)

Discount Rate – PFRS

The discount rate used to measure the total pension liability was 7.00% as of June 30, 2021. The projection of cash flows used to determine the discount rate assumed that contributions from plan members will be made at the current member contribution rates and that contributions from employers and the nonemployer contributing entity will be based upon 100% of the actuarially determined contributions for the State employer and 100% of actuarially determined contributions for the local employers. Based on those assumptions, the plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on plan investments was applied to all projected benefit payments to determine the total pension liability.

Sensitivity of the Total Net Pension Liability (including the State's proportionate share of the net pension liability attributable to the Borough) to Changes in the Discount Rate

The following presents the total net pension liability (including the State's proportionate share of the net pension liability attributable to the Borough) as of June 30, 2021 calculated using the discount rate as disclosed above, as well as what the collective net pension liability would be if it were calculated using a discount rate that is 1-percentage-point lower or 1-percentage-point higher than the current rate:

	June 30, 2021		
	At 1% Decrease (6.00%)	At Current Discount Rate (7.00%)	At 1% Increase (8.00%)
Borough's proportionate share of the Net Pension Liability and the State's proportionate share of the Net Pension Liability associated with the Borough	\$ 9,003,373	\$ 5,929,245	\$ 3,370,366

Pension Plan Fiduciary Net Position - PFRS

Detailed information about the PFRS's fiduciary net position is available in the separately issued PFRS financial statements.

(Continued)

Note 6: Pension Plans (Cont'd)

C. Defined Contribution Retirement Program (DCRP)

Prudential Financial jointly administers the DCRP investments with the NJ Division of Pensions and Benefits. If an employee is ineligible to enroll in the PERS or PFRS, the employee may be eligible to enroll in the DCRP. DCRP provides eligible members with a tax-sheltered, defined contribution retirement benefit, along with life insurance and disability coverage. Vesting is immediate upon enrollment for members of the DCRP.

The State of New Jersey, Department of the Treasury, Division of Pensions and Benefits, issues publicly available financial reports that include the financial statements and required supplementary information of the DCRP. The financial reports may be obtained by writing to the State of New Jersey, Department of the Treasury, Division of Pensions and Benefits, PO Box 295, Trenton, New Jersey, 08625-0295.

Employers are required to contribute at an actuarially determined rate. Employee contributions are based on percentages of 5.50% for DCRP of employees' annual compensation, as defined. The DCRP was established July 1, 2007, under the provisions of Chapter 92, P.L. 2007 and Chapter 103, P.L. 2007 and expanded under the provisions of Chapter 89, P.L. 2008. Employee contributions for DCRP are matched by a 3% employer contribution.

For DCRP, the Borough recognized a pension expense of \$4,763 for 2022. Employee contributions to DCRP were \$8,740 for 2022.

Note 7: Accrued Sick and Vacation Benefits

Members of the Borough Police and Public Works Departments are permitted to accrue a limited amount of unused sick and compensatory time, which may be taken as time off or paid upon retirement at the employee's current rate of compensation upon such termination. It is estimated that the current cost of such unpaid compensation would approximate \$464,140. This amount is not reported either as an expenditure or liability. However, it is expected that the cost of such unpaid compensation will be included in the Borough's budget operating expenditures in the year in which it is used.

Municipal (nonunion) employees are permitted to accrue unused vacation up to a maximum of 10 days and unused sick time up to a certain maximum depending upon years of service ranging from 15 to 25 years which may be taken as time off or paid upon retirement at the employee's current rate of compensation upon such termination. It is estimated that the current cost of such unpaid compensation would approximate \$46,025. This amount is not reported either as an expenditure or liability. However, it is expected that the cost of such unpaid compensation could be included in the Borough's budget operating expenditures in the year in which it is used.

The above amounts are partially funded by the Reserve for Accumulated Absences of \$443,115 on the Other Trust Funds balance sheet at December 31, 2022.

BOROUGH OF WHARTON
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2022

Note 8: Deferred Compensation Plan

The Borough offers its employees deferred compensation plans (the “plans”) created in accordance with Section 457 of the Internal Revenue Code. The plans, which are administered by The Hartford Life Insurance Company and Equitable, are available to all Borough employees and permit participants to defer a portion of their salary. The deferred compensation is not available to employees until termination, retirement, unforeseeable emergency or upon death to their beneficiaries.

Note 9: Selected Tax Information

Property taxes are levied as of January 1 on property values assessed as of the previous calendar year. The tax levy is divided into two billings. The first billing is an estimate of the current year's levy based on the prior year's taxes. The second billing reflects adjustments to the current year's actual levy. The final tax bill is usually mailed on or before June 14th, along with the first half estimated tax bills for the subsequent year. The first half estimated taxes are divided into two due dates, February 1 and May 1. The final tax bills are also divided into two due dates, August 1 and November 1. A ten-day grace period is usually granted before the taxes are considered delinquent and the imposition of interest charges. A penalty may be assessed for any unpaid taxes in excess of \$10,000 at December 31 of the current year. Unpaid taxes of the prior year may be placed in lien at a tax sale held after April 1 and through December 31. Unpaid taxes of the current year may be placed in lien at a tax sale held after December 10.

Comparative Schedule of Tax Rate Information

Comparison of Tax Levies and Collections Currently

<u>Year</u>	<u>Tax Levy</u>	<u>Currently</u>	
		<u>Cash Collections</u>	<u>Percentage of Collection</u>
2022	\$ 23,735,703	\$ 23,314,491	98.22%
2021	23,081,149	22,784,787	98.71%
2020	22,646,101	22,350,495	98.69%

Also, increases in future tax levies can also be warranted if revenue sources outside of those directly generated by the municipality, such as federal or state aid, should decline without corresponding decreases in budgeted expenditures.

Note 10: Cash and Cash Equivalents and Investments

Cash and cash equivalents include petty cash, change funds, amounts in deposits, money market accounts, and short-term investments with original maturities of three months or less.

Investments are stated at cost. The Borough classifies certificates of deposit which have original maturity dates of more than three months but less than twelve months from the date of purchase, as investments.

GASB requires disclosure of the level of custodial credit risk assumed by the Borough in its cash, cash equivalents and investments, if those items are uninsured or unregistered. Custodial credit risk is the risk that in the event of a bank failure, the government's deposits may not be returned.

Interest Rate Risk – In accordance with its cash management plan, the Borough ensures that any deposit or investment matures within the time period that approximates the prospective need for the funds, deposited or invested, so that there is not a risk to the market value of such deposits or investments.

Credit Risk – The Borough limits its investments to those authorized in its cash management plan which are those permitted under state statute as detailed in the investments section of this note.

Custodial Credit Risk – The Borough's policy with respect to custodial credit risk requires that the Borough ensures that Borough funds are only deposited in financial institutions in which New Jersey municipalities are permitted to invest their funds.

Deposits:

New Jersey statutes permit the deposit of public funds in institutions located in New Jersey, which are insured by the Federal Deposit Insurance Corporation (FDIC) or by any other agencies of the United States that insure deposits or the State of New Jersey Cash Management Fund.

Note 10: Cash and Cash Equivalents and Investments (Cont'd)

Deposits: (Cont'd)

New Jersey statutes require public depositories to maintain collateral for deposits of public funds that exceed insurance limits as follows:

The market value of the collateral must equal 5% of the average daily balance of public funds on deposit, and

In addition to the above collateral requirement, if public funds deposited exceed 75% of the capital funds of the depository, the depository must provide collateral having a market value at least equal to 100% of the amount exceeding 75%.

All collateral must be deposited with the Federal Reserve Bank, the Federal Home Loan Bank Board or a banking institution that is a member of the Federal Reserve System and has capital funds of not less than \$25,000,000.

Investments

New Jersey statutes permit the Borough to purchase the following types of securities:

- (1) Bonds or other obligations of the United States of America or obligations guaranteed by the United States of America;
- (2) Government money market mutual funds;
- (3) Any obligation that a federal agency or a federal instrumentality has issued in accordance with an act of Congress, which security has a maturity date not greater than 397 days from the date of purchase, provided that such obligation bears a fixed rate of interest not dependent on any index or other external factor;
- (4) Bonds or other obligations of the local unit or bonds or other obligations of school districts of which the local unit is a part or within which the school district is located;
- (5) Bonds or other obligations, having a maturity date not more than 397 days from the date of purchase, issued by New Jersey school districts, municipalities, counties, and entities subject to the "Local Authorities Fiscal Control Law" P.L. 1983, c. 313 (C.40A:5A-1 et seq.) Other bonds or obligations having a maturity date not more than 397 days from the date of purchase may be approved by the Division of Local Government Services in the Department of Community Affairs for investment by local units;
- (6) Local government investment pools;
- (7) Deposits with the State of New Jersey Cash Management Fund established pursuant to section 1 of P.L. 1977, c.281 (C.52:18A-90.4); or

BOROUGH OF WHARTON

Note 11: Interfund Receivables and Payables

There were no interfund balances at December 31, 2022:

Interest earned in the General Capital and Utility Capital Funds during the year was transferred to the Current and Utility Operating Funds, respectively.

Note 12: Risk Management

The Borough is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. Health benefits are provided to employees through the North Jersey Municipal Employee Benefits Fund.

Property and Liability

The Borough of Wharton is a member of the Morris County Municipal Joint Insurance Fund. The Fund is both an insured and self-administered group of municipalities established for the purpose of providing low-cost insurance coverage for member municipalities in order to keep local property taxes at a minimum.

The following coverages are offered by this fund to its members:

- a.) Workers' Compensation and Employers' Liability
- b.) Liability Other Than Motor Vehicles
- c.) Property Damage Other Than Motor Vehicles
- d.) Motor Vehicle
- e.) Environmental

As a member of the Fund, the Borough could be subject to supplemental assessments in the event of deficiencies. If the assets of the Fund were to be exhausted, members would become responsible for their respective shares of the Fund's liabilities.

The Fund can declare and distribute dividends to members upon approval of the State of New Jersey Department of Banking and Insurance. These distributions are divided amongst the members in the same ratio as their individual assessment relates to the total assessment of the membership body. In accordance with the Governmental Accounting Standards Board, these distributions are used to reduce the amount recorded for membership expense in the year in which the distribution was declared.

New Jersey Unemployment Compensation Insurance

The Borough has elected to fund its New Jersey Unemployment Compensation Insurance under the "Benefit Reimbursement Method". Under this plan, the Borough is required to reimburse the New Jersey Unemployment Trust Fund for benefits paid to its former employees and charged to its account with the State. The Borough is billed quarterly for amounts due to the State.

The following is a summary of Borough and employee contributions, interest earnings, reimbursements to the State for benefits paid and the ending balance of the Borough's expendable trust fund for the current and previous two years:

<u>Year</u>	<u>Borough Contributions</u>	<u>Employee Contributions</u>	<u>Interest Earnings</u>	<u>Amount Reimbursed</u>	<u>Ending Balance</u>
2022	\$ 20,000	\$ 7,466	\$ 896	\$ 9,922	\$ 203,246
2021	20,000	6,641	325	12,581	184,806
2020	20,000	6,274	1,187	11,938	170,421

Self-Insurance Deductible

The Reserve for Self-Insurance Deductible account was established in the Other Trust Funds to fund the Borough's self-insured retention for Employment Practices Liability ("EPL") and Proof of Loss ("POL") claims should they occur. The Borough's obligation or exposure on an EPL/POL claim is the first \$20,000 of the claim and then 20% of the first \$250,000 for a combined possible exposure of \$75,000 per claim.

BOROUGH OF WHARTON
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2022
(Continued)

Note 13: Contingent Liabilities

The Borough is periodically involved in various lawsuits arising in the normal course of business, including claims for property damage, personal injury, and various contract disputes. It also deals with potential unasserted claims in the course of Borough business. The Borough vigorously contests these lawsuits and unasserted claims and believes the ultimate resolution will not have a material adverse effect on its financial position.

The municipality has been advised that a number of tax appeals have been filed. A reserve for pending tax appeals in the amount of \$886,666 has been recorded as a liability as of December 31, 2022, which it feels should be sufficient to cover these tax appeals.

Amounts received or receivable from grantors, principally the federal and state governments are subject to regulatory requirements and adjustments by the agencies. Any disallowed claims, including amounts previously recognized by the Borough as revenue would constitute a liability of the applicable funds. The amount, if any, of expenditures which may be disallowed by the grantors cannot be determined at this time, although Borough officials expect such amounts, if any, to be immaterial.

Note 14: Open Space Trust Fund

The Borough created an Open Space Trust Fund with a tax levy of \$.01 per \$100 of assessed valuation in 1999. The tax levy was increased to \$.02 per \$100 of assessed valuation in 2004. The funds collected are used to acquire and maintain open space property in the Borough. To date, \$2,070,547 has been collected and the balances in the Open Space Trust Fund at December 31, 2022 and 2021 were \$211,277 and \$109,371, respectively.

Note 15: Economic Dependency

The Borough receives a substantial amount of its support from federal and state governments. A significant reduction in the level of support, if this were to occur, may have an effect on the Borough's programs and activities.

Note 16: Fixed Assets

The schedules below and on the following page are a summarization of the general fixed assets account group for the years ended December 31, 2022 and 2021:

	Balance			Balance

Note 17: Tax Abatements

As of December 31, 2021, the Borough provides a tax abatement to a redeveloper for its 248 residential apartment unit property in the Borough pursuant to N.J.S.A 40A:20-1 et seq., the Long Term Tax Exemption Law, and a financial agreement between the Borough and the redeveloper. The agreement is for a period of 30 years. 2011 was the first year in which the payments under this agreement was effective. In consideration of the Borough granting the redeveloper this tax abatement the developer will be required to pay to the Borough an annual service charge as follows: Stage One (years 1-15) – the annual service charge will be the greater of the minimum annual service charge or 10% of gross revenue; Stage Two (years 16-21) – the annual service charge as defined in Stage One or 20% of the amount of taxes otherwise due on the value of the land and improvements, whichever is greater; Stage 3 (years 22-27) - – the annual service charge as defined in Stage One or 40% of the amount of taxes otherwise due on the value of the land and improvements, whichever is greater; Stage 4 (years 28-29) - – the annual service charge as defined in Stage One or 60% of the amount of taxes otherwise due on the value of the land and improvements, whichever is greater; Stage 5 (year 30) - – the annual service charge as defined in Stage One or 80% of the amount of taxes otherwise due on the value of the land and improvements, whichever is greater.

The minimum annual service charge per the agreement shall be the amount of total taxes levied against all real property in the area covered under this tax abatement in the last full tax year in which that area was subject to taxation, and the minimum annual service charge shall be paid in each year in which the other provisions of the financial agreement would result in less than the minimum annual service charge being paid. In the event that the net profits on the redevelopment property exceed the allowable net profits for such period the redeveloper shall pay such excess net profits to the Borough as an additional service charge. Additionally, the Borough shall remit to the County of Morris on a quarterly basis, 5% of the Annual Service Charge received from the redeveloper in accordance with N.J.S.A. 40A:20-12b. The Borough recognized revenue in the amount of \$666,031 from this annual service charge or payment in lieu of taxes recorded as miscellaneous revenue not anticipated in the Current Fund. The taxes which would have been paid on this property for 2022 without the abatement would have been \$957,971 of which \$235,966 would have been for the local municipal tax, minimum library tax, municipal open space tax and special district tax.

In the event that the redeveloper fails to make the required Annual Service Charge payment within the required period of time which would constitute a breach of the agreement, the Borough has the right as one of the allowable remedies to proceed against the redeveloper pursuant to the In-Rem Foreclosure Act. Upon the termination or expiration of this agreement the property under this agreement shall be assessed and taxed as applicable to other taxable property within the Borough.

Note 18: Postemployment Benefits Other Than Pensions (OPEB)

State Health Benefit Local Government Retired Employees Plan

General Information about the OPEB Plan

Plan Description

The State Health Benefit Local Government Retired Employees Plan (the Plan) is a cost sharing multiple employer defined benefit other postemployment benefit (OPEB) plan with a special funding situation. It covers employees of local government employers that have adopted a resolution to participate in the Plan. For additional information about the Plan, please refer to the State of New Jersey (the State), Division of Pensions and Benefits' (the Division) annual financial statements, which can be found at <https://www.state.nj.us/treasury/pensions/financial-reports.shtml>.

Benefits Provided

The Plan provides medical and prescription drug coverage to retirees and their covered dependents of the participating employers. Under the provisions of Chapter 88, P.L. 1974 and Chapter 48, P.L. 1999, local government employers electing to provide postretirement medical coverage to their employees must file a resolution with the Division. Under Chapter 88, local employers elect to provide benefit coverage based on the eligibility rules and regulations promulgated by the State Health Benefits Commission. Chapter 48 allows local employers to establish their own age and service eligibility for employer paid health benefits coverage for retired employees. Under Chapter 48, the employer may assume the cost of postretirement medical coverage for employees and their dependents who: 1) retired on a disability pension; or 2) retired with 25 or more years of service credit in a State or locally administered retirement system and a period of service of up to 25 years with the employer at the time of retirement as established by the employer; or 3) retired and reached the age of 65 with 25 or more years of service credit in a State or locally administered retirement system and a period of service of up to 25 years with the employer at the time of retirement as established by the employer; or 4) retired and reached age 62 with at least 15 years of service with the employer. Further, the law provides that the employer paid obligations for retiree coverage may be determined by means of a collective negotiations agreement.

In accordance with Chapter 330, P.L. 1997, which is codified in N.J.S.A. 52:14-17.32i, the State provides medical and prescription coverage to local police officers and firefighters, who retire with 25 years of service or on a disability from an employer who does not provide postretirement medical coverage. Local employers were required to file a resolution with the Division in order for their employees to qualify for State-paid retiree health benefits coverage under Chapter 330. The State also provides funding for retiree health benefits to survivors of local police officers and firefighters who die in the line of duty under Chapter 271, P.L. 1989.

BOROUGH OF WHARTON
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2022
(Continued)

Note 18: Postemployment Benefits Other Than Pensions (OPEB) (Cont'd)

State Health Benefit Local Government Retired Employees Plan (Cont'd)

Contributions

Pursuant to Chapter 78, P.L. 2011, future retirees eligible for postretirement medical coverage who have less than 20 years of creditable service on June 28, 2011 will be required to pay a percentage of the cost of their health care coverage in retirement provided they retire with 25 or more years of pension service credit. The percentage of the premium for which the retiree will be responsible will be determined based on the retiree's annual retirement benefit and level of coverage.

Special Funding Situation

Under Chapter 330, P.L. 1997, the State shall pay the premium or periodic charges for the qualified local police and firefighter retirees and dependents equal to 80 percent of the premium or periodic charge for the category of coverage elected by the qualified retiree under the State managed care plan or a health maintenance organization participating in the program providing the lowest premium or periodic charge. The State also provides funding for retiree health benefits to survivors of local police officers and firefighters who die in the line of duty under Chapter 271, P.L. 1989.

Therefore, these employers are considered to be in a special funding situation as defined by GASB Statement No. 75 and the State is treated as a nonemployer contributing entity. For New Jersey local governments who report under the regulatory basis of accounting, the net OPEB liability and related deferred inflows are not recorded in the financial statements and there is only note disclosure of this information. Since the local participating employers do not contribute under this legislation directly to the plan, there is no net OPEB liability, deferred outflows of resources, or deferred inflows of resources to report in the financial statements of the local participating employers related to this legislation. However, the notes to the financial statements of the local participating employers must disclose the portion of the nonemployer contributing entities' total proportionate share of the collective net OPEB liability that is associated with the local participating employer.

Allocation Methodology

GASB Statement No. 75 requires participating employers in the Plan to recognize their proportionate share of the collective net OPEB liability, collective deferred outflows of resources, collective deferred inflows of resources, and collective OPEB benefit expense. The special funding situation's and nonspecial funding situation's net OPEB liability, deferred outflows of resources, deferred inflows of resources, and OPEB expense are based on separately calculated total OPEB liabilities. The nonspecial funding situation's net OPEB liability, deferred outflows of resources, deferred inflows of resources, and OPEB benefit expense are further allocated to employers based on the ratio of the plan members of an individual employer to the total members of the Plan's nonspecial funding situation during the measurement period July 1, 2020 through June 30, 2021. Employer and nonemployer allocation percentages were rounded for presentation purposes; therefore, amounts presented in the schedule of OPEB amounts by employer and nonemployer may result in immaterial differences.

BOROUGH OF WHARTON
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2022
(Continued)

Note 18: Postemployment Benefits Other Than Pensions (OPEB) (Cont'd)

State Health Benefit Local Government Retired Employees Plan (Cont'd)

OPEB Expense Related to OPEB

The Borough has rolled forward the net OPEB liability as of June 30, 2021 with no adjustments. The Division of Local Government Services, Department of Community Affairs, State of New Jersey, is permitting municipalities and counties to include the June 30, 2021 OPEB information in the Notes to the Financial Statements as the June 30, 2022 information has not been released as of the date of this report.

The total OPEB liability as of June 30, 2021 was determined by an actuarial valuation as of June 30, 2020, which was rolled forward to June 30, 2021.

The State of New Jersey's proportionate share of the net OPEB liability attributable to the Borough at June 30, 2021 was \$8,079,660. At June 30, 2021, the State's proportion related to the Borough was .209244% which was an increase of .073408% from its proportion measured as of June 30, 2020.

For the year ended June 30, 2021 the Borough's OPEB benefit as determined by the State of New Jersey Division of Pensions and Benefits was \$1,102,501.

Actuarial Assumptions and Other Inputs

The actuarial assumptions vary for each plan member depending on the pension plan the member is enrolled in. This actuarial valuation used the following actuarial assumptions, applied to all periods in the measurement.

Inflation Rate	2.50%
Salary Increases*:	
Public Employees' Retirement System (PERS)	
Initial fiscal year applied	
Rate through 2026	2.00% - 6.00%
Rate thereafter	3.00% to 7.00%
Police and Firemen's Retirement System (PFRS)	
Rate for all future years	3.25% to 15.25%

* - Salary increases are based on years of service within the respective plan.

Mortality:

PERS	Pub-2010 General classification headcount weighted mortality with fully generational mortality improvement projections from the central year using Scale MP-2021
PFRS	Pub-2010 Safety classification headcount weighted mortality with fully generational mortality improvement projections from the central year using Scale MP-2021

BOROUGH OF WHARTON
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2022
(Continued)

Note 18: Postemployment Benefits Other Than Pensions (OPEB) (Cont'd)

State Health Benefit Local Government Retired Employees Plan (Cont'd)

Actuarial Assumptions and Other Inputs (Cont'd)

Actuarial assumptions used in the June 30, 2020 valuation were based on the results of the PFRS and PERS experience studies prepared for July 1, 2013 to June 30, 2018 and July 1, 2014 – June 30, 2018, respectively.

100% of active members are considered to participate in the Plan upon retirement.

Health Care Trend Assumption

For pre-Medicare medical benefits, the trend rate is initially 5.65% for fiscal year 2021 and decreases to a 4.5% long term trend rate after seven years. For PPO post 65 medical benefits, the trend rate is initially 13.08% and decreases to a 4.5% long term trend rate starting with fiscal year 2032 and later. For HMO Post 65 medical benefits, the trend rate is initially 13.76% and decreases to a 4.50% long term trend rate starting with fiscal year 2032 and later. For prescription drug benefits, the initial trend rate is 6.75% for fiscal year 2021 and decreases to a 4.5% long term rate after seven years.

Discount Rate

The discount rate for June 30, 2021 was 2.16%. This represents the municipal bond rate as chosen by the State. The source is the Bond Buyer Go 20-Bond Municipal Bond Index, which includes tax-exempt general obligation municipal bonds with an average rating of AA/Aa or higher. As the long-term rate of return is less than the municipal bond rate, it is not considered in the calculation of the discount rate, rather the discount rate is set at the municipal bond rate.

Note 19: Leases

The Borough implemented Governmental Accounting Standards Board (GASB) Statement No. 87, *Leases*, during the current year.

The Borough entered into a lease agreement for the lease of space on the Borough's property on which there is an existing cell tower for the development of the premises as a wireless communications facility including the structure, equipment and related facilities. The initial term of the lease was 5 years commencing on November 26, 1990. The lease has been amended three times. The current term of the lease is five years commencing on August 1, 2016 with automatic renewal for an additional five terms of five years each. The initial annual lease payment under the most recent amendment was \$45,600 with an increase of 10% at the beginning of each renewal term.

SEE ACCOMPANYING NOTES TO SCHEDULES OF EXPENDITURES OF FEDERAL AND STATE AWARDS

BOROUGH OF WHARTON
NOTE TO SCHEDULES OF EXPENDITURES OF FEDERAL AND STATE AWARDS
YEAR ENDED DECEMBER 31, 2022

A. BASIS OF PRESENTATION

The accompanying Schedules of Expenditures of Federal and State Awards (the “Schedules”) includes the federal and state grant activity of the Borough of Wharton under programs of the federal and state governments for the year ended December 31, 2022. The information in these schedules is presented in accordance with the requirements of the Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (“Uniform Guidance”) and New Jersey's OMB Circular 15-08, *Single Audit Policy for Recipients of Federal Grants, State Grants and State Aid*. Because the schedules present only a selected portion of the operations of the Borough of Wharton, they are not intended to and do not present the financial position, changes in fund balance or cash flows of the Borough of Wharton.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the accompanying Schedules of Expenditures of Federal and State Awards are reported on the cash basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts, if any, shown on the Schedules represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years. Pass-through identifying numbers are presented where available. The Borough has not elected to use the 10 percent de minimis indirect cost rate as allowed under the Uniform Guidance.

C. RELATIONSHIP TO FEDERAL AND STATE FINANCIAL REPORTS

Amounts reported in the accompanying schedules agree with the amounts reported in the related federal and state financial reports.

D. STATE LOAN OUTSTANDING

The Borough of Wharton has the following loan outstanding as of December 31, 2022:

Water Utility Capital Fund:	
NJEIT Loan	<u>\$ 76,655</u>

The project which relates to the above loan is complete and there were no current year receipts or expenditures on the loan.

Report on Internal Control Over Financial Reporting and on
Compliance and Other Matters Based on an Audit of Financial Statements
Performed in Accordance with *Government Auditing Standards*

Independent Auditors' Report

The Honorable Mayor and Members
of the Borough Council
Borough of Wharton
Wharton, New Jersey

We have audited, in accordance with auditing standards generally accepted in the United States of America, audit requirements prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey (the "Division"), and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements – *regulatory basis* - of the various funds of the Borough of Wharton, in the County of Morris (the "Borough") as of, and for the years ended, December 31, 2022 and 2021, and the related notes to the financial statements and have issued our report thereon dated June 9, 2023. These financial statements have been prepared in accordance with accounting practices prescribed or permitted by the Division to demonstrate compliance with the Division's regulatory basis of accounting and the budget laws of New Jersey, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Borough's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Borough's internal control. Accordingly, we do not express an opinion on the effectiveness of the Borough's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Borough's financial statements will not be prevented or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

The Honorable Mayor and Members
of the Borough Council
Borough of Wharton
Page 2

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Borough's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Borough's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Borough's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Report on Compliance For Each Major Federal Program;
Report on Internal Control Over Compliance Required by the Uniform Guidance

Independent Auditors' Report

The Honorable Mayor and Members
of the Borough Council
Borough of Wharton
County of Morris, New Jersey

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited the Borough of Wharton's (the "Borough's") compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on the Borough's major federal program for the year ended December 31, 2022. The Borough's major federal program is identified in the summary of auditors' results section of the accompanying Schedule of Findings and Questioned Costs.

In our opinion, the Borough complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended December 31, 2022.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*) and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Borough and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for its major federal program. Our audit does not provide a legal determination of the Borough's compliance with the compliance requirements referred to above.

The Honorable Mayor and Members
of the Borough Council
Borough of Wharton
County of Morris, New Jersey

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the Borough's federal and state programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Borough's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards* and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Borough's compliance with the requirements of its major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards* and the Uniform Guidance, we

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Borough's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- obtain an understanding of the Borough's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance and New Jersey's OMB Circular 15-08, but not for the purpose of expressing an opinion on the effectiveness of the Borough's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

The Honorable Mayor and Members
of the Borough Council
Borough of Wharton
County of Morris, New Jersey

Report on Internal Control Over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal or state program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal or state program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal or state program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Registered Municipal Accountant No. 563

BOROUGH OF WHARTON
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
YEAR ENDED DECEMBER 31, 2022

Summary of Auditors' Results:

- The Independent Auditors' Report expresses an unmodified opinion on the Borough's financial statements, prepared in accordance with accounting practices prescribed or permitted by the Division of Local Government Services, Department of Community Affairs, State of New Jersey to demonstrate compliance with the Division's regulatory basis of accounting and the budget laws of New Jersey.
- There were no material weaknesses or significant deficiencies disclosed during the audit of the financial statements as reported in the *Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards*.
- No instances of noncompliance material to the financial statements of the Borough which would be required to be reported in accordance with *Government Auditing Standards*, were disclosed during the audit.
- There were no material weaknesses or significant deficiencies in internal control over its major federal program disclosed during the audit as reported in the *Independent Auditors' Report on Compliance For Each Major Federal Program; Report on Internal Control Over Compliance Required by the Uniform Guidance*.
- The auditor's report on compliance for its major federal program for the Borough expresses an unmodified opinion on its major federal program.
- The audit did not disclose any findings which are required to be reported in accordance with New Jersey's Circular 15-08 or 2 CFR 200.516(a) of the Uniform Guidance.
- The threshold for distinguishing between Type A and B federal programs was \$750,000.
- The Borough was not determined to be a "low-risk" auditee for federal programs.

Summary of Auditors' Results:

- The Borough's program tested as a major federal program for the current year consisted of the following federal program:

Grant	Assistance Listing Number	Grant Award	Grant Expenditures
US Department of Transportation:			
Highway Planning and Construction Cluster:			
Transportation Alternatives Program -	20.205	\$ 2,759,852	\$ 1,027,820
Morris Canal Lock 2 East	20.205	1,123,060	1,035,591
		3,882,912	2,063,411

Findings Relating to the Financial Statements which are required to be Reported in Accordance with Generally Accepted Government Auditing Standards:

- The audit did not disclose any findings required to be reported under Generally Accepted Government Auditing Standards.

BOROUGH OF WHARTON
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
YEAR ENDED DECEMBER 31, 2022
(Continued)

Findings and Questioned Costs for Federal Awards:

- The audit did not disclose any findings or questioned costs for federal awards as defined in 2 CFR 200.516(a) of the Uniform Guidance.

Findings and Questioned Costs for State Awards:

- Not Applicable since state expenditures were below the single audit threshold.

BOROUGH OF WHARTON
SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS
YEAR ENDED DECEMBER 31, 2022

The Borough had no prior year audit findings.

BOROUGH OF WHARTON

PART III

COMMENTS AND RECOMMENDATIONS

YEAR ENDED DECEMBER 31, 2022

BOROUGH OF WHARTON
COMMENTS AND RECOMMENDATIONS

Contracts and Agreements Required to be Advertised for N.J.S.A. 40A:11-4

N.J.S. 40A:11-3 states:

a. " When the cost or price of any contract awarded by the contracting agent in the aggregate does not exceed in a contract year the total sum of \$17,500, the contract may be awarded by a purchasing agent when so authorized by ordinance or resolution, as appropriate to the contracting unit, of the governing body of the contracting unit without public advertising for bids, except that the governing body of any contracting unit may adopt an ordinance or resolution to set a lower threshold for the receipt of public bids or the solicitation of competitive quotations. If the purchasing agent is qualified pursuant to subsection b. of section 9 of P.L. 1971, C.198 (N.J.S. 40A:11-9), the governing body of the contracting unit may establish that the bid threshold may be up to \$25,000. Such authorization may be granted for each contract or by a general delegation of the power to negotiate and award such contracts pursuant to this section.

b. Any contract made pursuant to this section may be awarded for a period of 24 consecutive months, except that contracts for professional services pursuant to subparagraph (i) of paragraph (a) of subsection (1) of section 5 of P.L. 1971, C.198 (N.J.S. 40A:11-5) may be awarded for a period not exceeding 12 consecutive months. The Division of Local Government Services shall adopt and promulgate rules and regulations concerning the methods of accounting for all contracts that do not coincide with the contracting unit's fiscal year.

c. The Governor, in consultation with the Department of the Treasury, shall, no later than March 1 of every fifth year beginning in the fifth year after the year in which P.L. 1999, C.440 takes effect, adjust the threshold amount and the higher threshold amount which the governing body is permitted to establish, as set forth in subsection a. of this section, or the threshold amount resulting from any adjustment under this subsection, in direct proportion to the rise or fall of the index rate as that term is defined in section 2 of P.L. 1971, C.198 (N.J.S. 40A:11-2), and shall round the adjustment to the nearest \$1,000. The Governor shall, no later than June 1 of every fifth year, notify each governing body of the adjustment. The adjustment shall become effective on July 1 of the year in which it is made."

N.J.S. 40A:11-4 states: "Every contract awarded by the contracting agent for the provision or performance of any goods or services, the cost of which in the aggregate exceeds the bid threshold, shall be awarded only by resolution of the governing body of the contracting unit to the lowest responsible bidder after public advertising for bids and bidding therefore, except as is provided otherwise in this act or specifically by any other law. The governing body of a contracting unit may, by resolution approved by a majority of the governing body and subject to subsections b. and c. of this section, disqualify a bidder who would otherwise be determined to be the lowest responsible bidder, if the governing body finds that it has had prior negative experience with the bidder."

Effective July 1, 2020 and thereafter the bid threshold in accordance with N.J.S.A. 40A:11-3 and 40A:11-4 (as amended) is \$17,500 for a contracting unit without a qualified purchasing agent and \$44,000 for a contracting unit with a qualified purchasing agent.

The governing body of the Borough of Wharton has the responsibility of determining whether the expenditures in any category will exceed the bid threshold within the fiscal year and where question arises as to whether any contract or agreement might result in violation of the statute, the Borough Attorney's opinion should be sought before a commitment is made.

BOROUGH OF WHARTON
COMMENTS AND RECOMMENDATIONS
 (Continued)

Contracts and Agreements Required to be Advertised for N.J.S.A. 40A:11-4 (Cont'd)

The minutes indicated that bids were requested by public advertising per N.J.S. 40A:11-4. The minutes also indicated that resolutions were adopted authorizing the awarding of contracts or agreements for "Professional Services," per N.J.S. 40A:11-5.

Inasmuch as the system of records did not provide for an accumulation of payments for categories for the performance of any work or the furnishing or hiring of any materials or supplies, the results of such an accumulation could not reasonably be ascertained. Disbursements were reviewed, however, to determine whether any clear-cut violations existed. None were noted.

Collection of Interest on Delinquent Taxes and Assessments

The statute provides the method for authorizing interest and the maximum rate to be charged for the nonpayment of taxes, utility charges or assessments on or before the date when they would become delinquent.

On January 4, 2022, the governing body adopted the following resolution authorizing interest to be charged on delinquent taxes and utility charges:

BE IT RESOLVED by the Borough Council of the Borough of Wharton, Morris County, New Jersey, that the rate of interest to be paid upon delinquent taxes and utility charges for the year 2022 shall be fixed at the rate of 8% per annum to \$1,500 and any amount in excess of \$1,500 shall be fixed at the rate of 18% per annum. However, interest shall not be collected upon taxes and utility charges that are not delinquent over ten (10) days. After the tenth day of "grace period", interest reverts back to the due date. An additional penalty of 6% will be imposed on delinquencies in excess of \$10,000 at year end.

It appears from a test of the Tax Collector's and Water and Sewer Utility Collector's records that interest was generally collected in accordance with the foregoing resolution.

Delinquent Taxes and Tax Title Liens

The last tax sale was held on December 16, 2022 and all eligible properties were transferred to lien.

The following comparison is made of the number of tax title liens receivable on December 31, of the last three years:

Year	Number of Liens
2022	13
2021	14
2020	9

BOROUGH OF WHARTON
COMMENTS AND RECOMMENDATIONS

Accounting Requirements Under New Jersey Administrative Code

The Division of Local Government Services has established three (3) accounting requirements which are prescribed in the New Jersey Administrative Code. They are as follows:

1. Maintenance of an encumbrance accounting system.
2. Fixed asset accounting and reporting system.
3. General ledger accounting system.

The Borough currently maintains an encumbrance accounting system, a fixed asset accounting and reporting system and a general ledger system.

Municipal Court

Wharton Municipal Court is served by another municipality as a Shared Municipal Court. The report of the Municipal Court has been forwarded to the Division of Local Government Services and the Borough's Magistrate under separate cover. Reflected below is a summary of receipts and disbursements for the year ended December 31, 2022.

RECEIPTS AND DISBURSEMENTS FOR THE YEAR ENDED DECEMBER 31, 2022

	<u>\$ 25,959.61</u>	<u>\$ 345,852.98</u>	<u>\$ 345,958.35</u>	<u>\$ 25,854.24</u>

During our review of the tickets assigned but not issued report, it was noted that there were tickets assigned to officers that were older than six months and had not yet been issued. It is recommended that all Municipal Court tickets assigned be recalled and reissued to officers if they have not been issued in a six-month period.

Management's Response

The Municipal Court will ensure that all tickets assigned be recalled and reissued to officers if they have not been issued in a six-month period.

Management Suggestions:

Governmental Accounting Standards Board (GASB) Statements

GASB Statement No. 94, *Public-Private and Public-Public Partnerships and Availability Arrangements*, is effective for the year ended December 31, 2023. This statement addresses issues related to public-private and public-public partnership agreements (PPP's). A PPP is an arrangement in which a government (the transferor) contracts with an operator (a governmental or nongovernmental entity) to provide public services by conveying control of the right to operate or use a nonfinancial asset, such as infrastructure or other capital asset (the underlying PPP asset), for a period of time. This statement also provides guidance for accounting and financial reporting for availability payment arrangements (APA's). An APA is an arrangement in which a government compensates an operator for services that may include designing, constructing, financing, maintaining or operating an underlying nonfinancial asset or a period of time.

GASB Statement No. 96, *Subscription-Based Information Technology Arrangements* (SBITA's), is effective for the year ended December 31, 2023. A SBITA is a contract that conveys control of the right to use another party's (a SBITA vendor) information technology software, alone or in combination with tangible capital assets as specified in the related contract for a period of time. It is likely that a SBITA software or similar spreadsheets will need to be utilized to perform the various calculations necessary to implement this standard.

COVID-19 Federal Funding

It is possible that the Borough will undergo some review of its COVID-19 funding by the federal government. We strongly suggest that the Borough ensures that these funds are utilized in accordance with the applicable federal requirements, especially with respect to procurement. Additionally, we strongly suggest that the Borough ensures that these funds are separately accounted for in the Borough's accounting records and that any applicable Borough policies are current with respect to federal grant requirements.

Because of the nature of these funds, being new programs, generally of a significant dollar amount, and some of which may be expended over a period of years, they may be subject to federal or state audit several years from now. It is important that the grant files maintained by local governments be complete, self-explanatory, and fully document the program(s) undertaken as part of the funding.

Grants Receivable

It is suggested that the Borough continue to monitor federal and state capital grants for collection.

Accrued Sick and Vacation Benefits

It is suggested that the Borough continue to review all its negotiated labor contracts, individual employee arrangements and employee policies, as applicable, to ensure they are in accordance with New Jersey statutes regarding unused sick and vacation leave.

Status of Prior Year Recommendations

The prior year recommendations with regard to Municipal Court deposits being made timely and reconciling the monthly reports to the State Treasurer for dog license fees collected, prior to their submission, to the monthly collections for dog license fees and the dog tags remaining on hand were resolved.

BOROUGH OF WHARTON
SUMMARY OF RECOMMENDATIONS

It is recommended that:

1. All Municipal Court tickets assigned be recalled and reissued to officers if they have not been issued in a six-month period.
